OSI Duisburg Donates to Cancer Charity

Campaign raises €1,000 to provide local financial support

Duisburg, Germany, April 5, 2016 – In April, OSI Duisburg made a donation of €1,000 to the association Gänseblümchen-NRW e.V, a local charitable association founded in 2006 which supports children and their families suffering from cancer in the Duisburg area.

This charity provides a range of financial support including help to cover costs of prostheses, co-financing of medical devices for a children's cancer ward and funding special excursions for the children and their families.

OSI raised the money by holding a campaign for softshell jackets, which was financed by a premium refund received from the employers' liability trade association. This refund was received as a result of OSI's good health and safety performance record. It was authorized by the management board to then use this towards the jackets. With a small contribution of only €5, each employee could obtain a jacket. The total amount collected from both the employees and the premium refund was then donated to the charity.

On April 4, 2016 a formal presentation of this donation was made to Mr. Volker Dudek, Chairman for Gänseblümchen-NRW e.V.

Juergen Wehner, OSI Duisburg plant manager (left) and Yazici Soenmez, Head of Works Council (right) presented the donation to Mr. Volker Dudek, Chairman for Gänseblümchen-NRW e.V. (center).
