**Aurora, IL, USA, October 26, 2015** – OSI Chairman and Chief Executive Officer Sheldon Lavin was honored with the 2015 Lifetime Achievement Award from RSM US LLP (formerly known as McGladrey), to recognize his outstanding commitment to service and to the Chicago business community. RSM is a leading provider of assurance, tax and consulting services.

The award ceremony took place on October 22, 2015 at the Hyatt Regency in Rosemont, Illinois, during RSM's annual Manufacturing and Distribution Executive Summit.

"We are proud to recognize Sheldon for his exceptional accomplishments in the food industry," said RSM partner Peter Mulvey, "and also proud to be associated with such a visionary who so generously provides opportunities for his employees, inspires the global food industry and serves his local community."
